HACKING THE PACKAGE:

KWIK TRACING AND MARKETING WITH A LIFETIME WARRANTY

The Kwik Lok® 915 is a programmable thermal ink jet printer.
The printer speed coincides with your closing machine.

PRODUCT TRACEABILITY
ON THE KWIK LOK BAG CLOSURE
We provide low cost, efficient options for printing traceability information on your bagged products. Printing on the Kwik Lok bag closures allows you to trace packages back to packaging lines and individual products. It's easy to add up-to-date necessary information on your packages with the 915 thermal ink jet system from Kwik Lok.
